Debate “The Data Economy in the European Union”

Auditorium of the Order of Engineers

January 20, 2023, 3:00 pm to 5:00 pm

Organization and Purpose

This Event is jointly organized by the Academy of Engineering and the Order of Engineers with members of the PPE Group (European People's Party Group), the S&D Group (Group of the Progressive Alliance of Socialists and Democrats) and the RE Group (Group of the Alliance Liberals and Democrats for Europe and the European Democratic Party).

The objective is to present to the Portuguese community the most recent European initiative on data sharing and the data economy – *the Data Act*.
